The stronghold of Dentergem

Gaby Vandenabeele is a name synonymous to success in great middle distance and long distance races (500 – 800 km). Since his rapid ascent to the top in the 1980s, Gaby has achieved not only seven national and 100 provincial victories in his own loft, but also aided many other fanciers in reaching the top with his pigeons and advice, such as Rik Cools, Rudi Desaer, Patrick and Dimitri Houfflyn, Norbert Ally, Team BDS, Geert and Annick van Renterghem, Bert van den Berghe, and many more.

A small selection from his impressive list of references from the last five years says it all:
